

JOIN PGTA-R

The purpose of our newly chartered group of PGUSD retired teachers is to promote the well-being of our PGUSD certificated retirees, to protect our retirees' medical and other benefits, to support public education, and to organize social gatherings.

PGTA-Retired is united, affiliated with CTA/NEA-Retired, and has the same benefits as active teachers including group discounts and legal representation.

PGTA-R provides a way to watch over our interests during retirement and, perhaps just as important, helps you to keep in touch with old friends and colleagues.
